SpaceSIO

CERTIFICATE OF ISSUANCE

The message below was converted into a radio signal
and transmitted into space from Earth.

I was an engineer for forty years. Now I send messages to the sky for no reason at all, and it's...

BROADCAST ORIGIN

SIOComms1

SKY AT BROADCAST

Jupiter was almost directly overhead
as your signal launched.

TRANSMISSION ID
225FC8561766

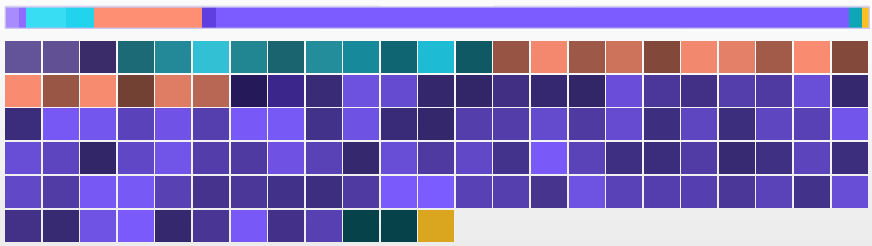

FREQUENCY
6 GHz

CONFIRMATION ID
