SpaceSIO

CERTIFICATE OF ISSUANCE

The message below was converted into a radio signal
and transmitted into space from Earth.

young people ask what the secret is

there isn't one. you keep planting things, and painting things, and apparently answering messages from space. that's the whole recipe.

BROADCAST ORIGIN

SIOComms1

SKY AT BROADCAST

Sun was almost directly overhead as your signal launched.

TRANSMISSION ID
33CDE0823E47

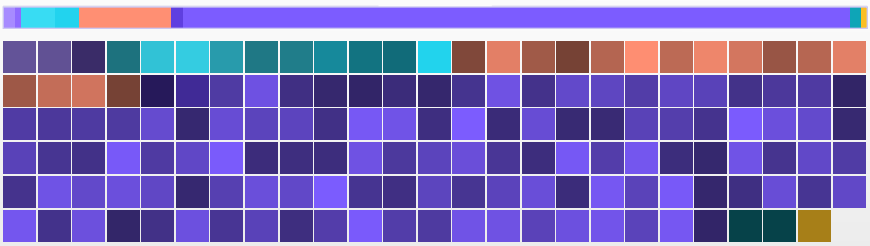

FREQUENCY
6 GHz
