SpaceSIO

CERTIFICATE OF ISSUANCE

The message below was converted into a radio signal
and transmitted into space from Earth.

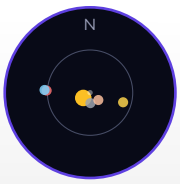

spent an embarrassing amount of time photographing a parking lot puddle today

the reflection was unreal and nobody will ever convince me it wasn't worth it. this is the whole hobby. you just wander around until something ordinary looks like everything.

BROADCAST ORIGIN

SIOComms1

SKY AT BROADCAST

Sun was almost directly overhead as your signal launched.
