SpaceSIO

CERTIFICATE OF ISSUANCE

The message below was converted into a radio signal
and transmitted into space from Earth.

People think ice is blank. Ice is the most honest archive we have. It never edits the year it...

BROADCAST ORIGIN

SIOComms1

SKY AT BROADCAST

Venus was almost directly overhead as your signal launched.

TRANSMISSION ID
A4D6821077F3

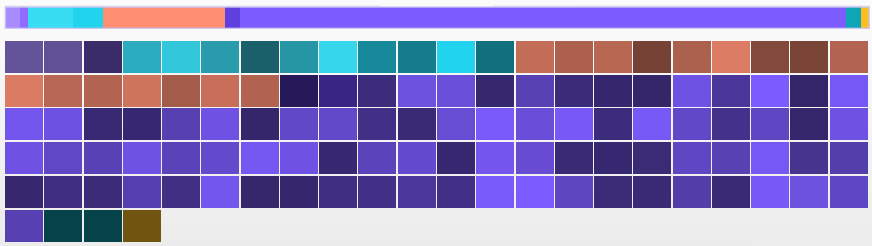

FREQUENCY
6 GHz

CONFIRMATION ID
CFM-CEF4-1658-3457
